Envoy De With Honored, Tells Of Beloved Queen

Table Decorations Were the American and Netherlands Flags in Circle with Red and White Tulips.

One of the high spots in Holland's Tulip Festival consisted of the banquet which was held at the Warm Friend Tavern Wednesday evening in honor of the envoy from The Netherlands, Jonkheer Dr. H. M. van Haerema de With.

In addition to the presence of the guests of honor and of several Netherlands consuls, the presence of consuls from Spain, Finland and Cuba added to the international character of this occasion.

A distinctly Dutch atmosphere was created by the decorations as well as by the nature of the program. Beautiful bouquets of red and white tulips crowned the festive board. A miniature flag of the United States and the tricolor flag of The Netherlands occupied a prominent place in each bouquet, so that all in all a general red, white and blue effect was rendered. Delicate wisps of smilax intertwined the flower bowls.

The waiting staff was all dressed in Dutch costumes, which varied in design. Costumes worn by people in each province of The Netherlands were thus represented.

Even the form of the dessert contributed to the nationalistic atmosphere of the occasion. Ice cream in the form of tulips constituted this part of the menu.

The staff of the Warm Friend Tavern did splendid justice to its tradition, not only with regard to its ability in the culinary art, but also by the general service rendered.

Trumpeters played Dutch anthems while the guests were finding their places. Then Dr. John B. Nykerk of Hope college led the group in the singing of "Wilhelmus van Nassauwen." The invocation was offered by the Rev. Henry Beets, L.L.D., Christian Reformed secretary of missions, who recently was knighted by Queen Wilhelmina of The Netherlands.

Dr. Wynand Wichers, president of Hope college, was the toastmaster of the evening. In his preliminary speech, Dr. Wichers pointed out that the guests should carry their minds back ninety years for the origin of this banquet. That was the time when the good ship "Southerner," containing 53 passengers, embarked from the Old Country to the United States. That was when Dr. A. C. van Raalte and his noble companions founded this Holland colony on the shores of Black Lake. These colonists and their descendants have battled against nature to make Holland a beautiful spot. These Dutch settlers instigated the civic virtues of which our city is so proud today.

"Therefore," Dr. Wichers said, "it is an honor to welcome a representative of that country from which our fathers came. We are also glad of this opportunity to pay homage to her Queen. We respect the people whom he loves and serves, and wish to pay tribute to them. Your excellency, we thank you for honoring us with your presence here tonight, and for gracing our festive board."

The Hon. Jacob Steketee, Netherlands consul in Grand Rapids, was introduced to the next speaker. He spoke about the days in 1847 when the Zeeland colony was founded by three leaders, James Vande Luyter, Rev. Vande Meulen and Jan Steketee. Referring to the privations and hardships of these colonists, Hon. Jacob Steketee of Grand Rapids showed how nevertheless they carried out their ideals of establishing homes, schools and churches.

"These men portrayed a tremendous zeal for public work and public accomplishment, for which we owe them a debt of gratitude we shall never be able to repay."

Fondness for Holland and appreciation for the hospitality received from its citizens were expressed by the Hon. William G. Bryant, who is The Netherlands consul in Detroit. The speaker said that he was interested in Holland's progress, and that, according to his observation the industrial progress of Holland has been more stable than that of any other city of like size in Michigan. "Don't worry because the tulips have failed to open," the Hon. Bryant concluded, "for it is the people in the town who make the town."

Dr. John Vennema, Netherlands consul in Chicago, and brother of the late Ame Vennema, former president of Hope college, said that no apologies need be made about the character of this city and of our college. For both have been founded by men who believed that character is primary.

"These men laid their best on the altar, and the income has blessed the lives of countless numbers," said Mr. Vennema.

Dr. Vennema extended the greetings from Hope college students and ex-residents hailing from the neighboring states, which are under his constituency.

Other distinguished guests were introduced by Dr. Wichers. They were Senor and Senora Bartholome of the Spanish legation at Detroit; the Hon. George H. Heideema, the consul for Finland, who said: "I don't know how we can ever pay our obligation to the city of Holland for your hospitality. It was wonderful."

Others at the speakers' table were the Hon. John M. Vander Vries of the Chicago Chamber of Commerce, and the "Mother of Tulip Time," Miss Lydia Rogers of Holland High school. Dr. Wichers then read an official letter of greeting from Governor Frank D. Fitzgerald.

At this point the trumpeters

TULIP NOTES

The Fris book store was given the cup for the best window display, according to the judges who passed judgment, according to rules laid down by the Tulip Time committee. Surely a fine window display of a window of tulips overlooking a Dutch garden. This is Mr. Jake Fris' second winning.

The street scrubbing scene on page two is an imposing sight for which the Holland City News is indebted to the Chicago Tribune. Thank you, Tribune; Holland appreciated your wonderful publicity.

At various places visited by the Dutch minister, The Netherlands flags were raised and at the Warm Friend Tavern an orange banner was raised in honor of the House of Orange.

Claim that forty million tulips will be in bloom in Holland next week must be "slightly exaggerated" as Mark Twain said about rumors of his death. Forty million tulip bulbs would almost cover that city out of sight; but it will be a marvelous show which everybody should see who can get there.—Allegan Gazette.

Where brother Edwy. Ried got that number from is hard to conjecture—surely the Tulip Time committee never advertised such an amount. In reality 4,000,000 is the number set—come over and count them, old friend.

The little "merry-go-round" at the Netherlands village is called literally "Draai Molen" and was made in Utrecht 73 years ago and is owned by Peter Anthony Weller of Holland.

In the Dutch village curio shop is an old barber's overflow bowl, designed to be held under the victim's chin—for surplus lather, presumably, or perhaps for blood.

A basket of wax flowers to be seen in the Dutch Village is the property of Mrs. Ben Mulder, an heirloom given her by her mother, the late Mrs. John Van Landegem, who died in 1929. Her husband, the late John Van Landegem, was the seventh mayor of Holland. The basket is made of coral and the flowers are of wax. These were made by the wives of the ministers of the Reformed church, in the very early period of the Holland Colony. This one was purchased by Mrs. John Van Landegem as a girl in the days of Dr. Van Raalte, the founder of Holland. Despite the age the flowers are still beautiful and are covered with an oval glass case.

Holland now has a broadcasting station WFT with headquarters in WFT and the station at C-C and the announcer is WMC. His announcing is DG.

Even the Tulip Time baseball game had a Dutch complexion since the Flying Dutchmen played for Holland and the umpire was a Mr. Heilmann. Harry, four-times batting champion of the American league, and now announcer for the Detroit Tigers over station WOOD, Grand Rapids, will umpire the game.

A party of 20 guests, all Detroit residents, headed by Simon Den Uyl, former Holland resident, have headquarters at the Warm Friend Tavern, and they enjoyed the Tulips to the full. Mr. Den Uyl is the son of Mr. Jemie Den Uyl, 21 W. 15 St., and is the brother of Tony, well known in Holland.

Those slippers with silver buckles surely put the finishing touches to those city fathers. We vote that they attend "Stadsraad" regularly in their.

Forty-eight special officers have been drafted by Chief Van Ry, head of Holland's Police Department, and they are handling the large crowd well but why not hire 50, it reads better than 48.

Holland State park at Ottawa Beach is open for the convenience of Tulip Time visitors. It will remain open during the festival. The American Legion post is in charge of this concession with "Chuck" Van Lente as head.

There was hardly a quorum present from the common council inspecting the street scrubbing Saturday. Nick was there in flowing robes judicially complete in wig and gown befitting. Other dignified gentlemen were Jacob Vande Lunde of the first ward; Albert Van Zoeren, third; Ben Steketee, fourth; Peter Huyser and Jacob R. Bultman, fifth; and Albert E. Van Lente, sixth. Cases Kalkman wasn't in line, possibly in Lansing. Art Drinkwater hadn't forgotten that plug hat of the Grand Haven centennial of a year ago.

Holland has had a "smack" of the World's Fair. Those large spectacular buses that ran in circles at Chicago are here taking no passengers over the tulip lanes. Either there were no tulips open or folks were afraid of those gigantic buses that look like dragons.

Dr. Wynand Wichers in his opening remarks as toastmaster at the banquet honoring the Dutch envoy, gave one food for thought when he stated that our America of today could take lessons of the emigrant Americans of yesterday for they came without a modern convenience and as an example the pioneers of '47 turned swamps into

A RIOT OF TULIPS TOMORROW

The blooming of tulips in Holland has been lamentably delayed and nobody can do anything about it, but now they begin to pop out like pop corn and thousands are blooming every hour and never in the history of Tulip Time will there be such a riot of color and so many miles of tulip lane as on Saturday and all next week. Cold weather has made the blooms hardy and besides the 8,000,000 tulips to be seen in the city, there will be a single field of tulips at the Nells farm with 1,000,000 more. It is a sight to behold.

After all, the tulips themselves in their beautiful settings, are the main attraction during the Tulip Festival. Don't fail to see this glorious sight and it surely will allay the disappointment that cold weather for two continued weeks have brought earlier during the festival. Even the leaves of the trees are retarded two weeks, but we can safely say that the tulips in Holland are now in bloom and turned out to be beautiful and hardy flowers.

tillable ground and cut the forests to create farms and in the center of a swamp built a beautiful city such as you see here. This surely bears out the adage of making "the desert blossom like a rose."

Dr. Henry Beets of Grand Rapids especially paid tribute to the late Gerrit J. Diekema, minister to The Netherlands, who was loved in his own city and respected by the nation and looked up to in The Netherlands as a great statesman.

Dr. Wynand Wichers got a laugh out of the audience caused by the ice cream molded in tulip form. These were so hard that the guests played a tattoo on the buds, causing ripples of laughter, and Mr. Wichers paralleled the table desert with tulips not yet in blossom as being frozen in.

Jacob Steketee, consul from Grand Rapids, opened the eyes of some folks when he said that our Dutch colonists suffered such hardships that they needed help and this help came from the wild men, the Indians of this vicinity.

Five canvasses painted by Carl Hoerman, a very distinguished artist, who has his home in Saugatuck, will be on display in the Woman's Literary club rooms for the rest of the Tulip festival. Mr. Hoerman's paintings have been on exhibition in Chicago and Detroit and several prizes were awarded him for his exceptionally fine paintings.

The Women's Literary club is sponsoring an exhibit of curios in the Dutch kitchen in the Dutch village booth in Holland Army. Some of the articles are from 150 to 275 years old.

The review of bands scheduled for Saturday afternoon in River-view athletic park, and the parade of bands and Dutch-costumed units promises to be one of the most attractive features of the week. About 35 bands will be represented.

The popular Tiny Tot division of the Volks parade will be repeated Saturday in the band parade, the Tulip Time committee announced today. Hundreds of requests have been received to include the feature in the grand finale of the seventh annual fiesta. Street scrubbers will again don their colorful Dutch costumes for the Saturday parade. They will not cleanse the streets, but will march in units between 20 bands that will take part in the parade.

More than 400 Royal Neighbors, who attended the district convention here Wednesday, marched in the parade which took place in the afternoon.

Success of Holland's seventh annual tulip festival, with its many new and more elaborate features, which is expected to be the greatest of any ever held in Holland, will be to the credit of a woman, Mrs. J. E. Telling, chairman of the general festival committee. Mrs. Telling has planned the whole event, the entire nine days, looking after minor details as well as the large administrative task, with the wholehearted help of the entire community under her able direction.—Grand Rapids Herald.

The Holland region is a New Netherlands and its Dutch people bring Old World customs into an American setting that attracts visitors from every state—more than a quarter of a million people annually drive through mile after mile of tulip lanes of many colors.

Tulip Time has been given prominence in the May issue of the Beer and Liquor Dealer, official publication of the state association, a publication of wide circulation in Michigan. The magazine carries a large picture of tulips in mass planting on the cover. Several articles about the festival are found, as well as a welcome from Charles K. Van Duren of this city, vice president and attorney of the association.

Mr. and Mrs. Edward Vaupell and son Delbert spent Tuesday evening in Lansing, guests of Mr. and Mrs. Herman Vaupell. Saturday is opening day of the Tulip festival in Holland. On that day Mrs. Herman Vaupell, her daughter Jean, and Mrs. Eugene Lombardy plan to see the street scrubbing which is an initial feature. Mr. Vaupell and Mr. Paul Easton of Michigan State college will join the ladies later.—Allegan Gazette.

Jonkheer Dr. H. M. van Haerema de With, minister from The Netherlands to the United States, will honor guest at a small luncheon at the Pauline hotel Wednesday

Dutch Envoy The Guest of Holland

JONKHEER H. M. VAN HAEREMA DE WITH, Netherlands minister at Washington, received an honorary degree this morning at a special chapel service in the Memorial chapel at 10:30. This exclusive picture was obtained through the courtesy of a friend of our editor, Col. Frank Knox, Editor of the Chicago Daily News.

An impressive ceremony took place this morning in the Hope college Memorial chapel, when Jonkheer Dr. H. M. van Haerema de With, Netherlands minister at Washington, D. C., was conferred with the degree of doctor of laws by the board of trustees of the college.

Dr. Wynand Wichers presided at this convocation program. Prof. W. Curtis Snow, at the organ, played "Prelude to Act III, 'L'engrenage'" by Wagner. The college chapel choir, accompanied by the organ, sang "God of Our Fathers," by Roberts-Warren, as the processional. Both faculty and choir had donned caps and gowns. The audience arose in unison when Dr. De With marched in.

Prayer was offered by the Rev. Nicholas Boer, D.D., president of the board of trustees. The chapel choir then rendered Rachmann's "The Island." Dr. Wichers then gave a short resume of the history of the Dutch in America, particularly in its relationship to the founding of Hope college. Introducing The Netherlands ambassador as the next speaker, Dr. Wichers thanked him for honoring Hope college with his presence.

Jonkheer Dr. De With then delivered his address "Netherlands Exploring Expeditions." Expressing his appreciation for the distinction about to be conferred on him, the envoy said that his degree would afford him a beautiful and everlasting remembrance of Hope college. He made a few remarks to the late Hon. Gerrit J. Diekema, who had been held in high esteem in The Netherlands. "The departure of that man from life had been regretted, but the Hon. Diekema will live long in the memories of the people of The Netherlands," said the envoy.

It was pointed out by the speaker that his native land is not a little country, as is the mistaken notion of many. Do not judge the Netherlands by its size or by its army and navy. The basis of judgment should rest rather on the cultural developments of the country. As for its size, the entire Netherlands territory consists of 888,000 square miles. The population is over 70,000, which is more than half of that of the United States.

Describing how his country acquired her colonial empire, Jonkheer de With maintained that the Dutch spirit of enterprise was responsible. Then, too, there were certain circumstances of nature that contributed to this territorial development. For instance, the geological position of the old country.

On his way to the tulip fiesta at Holland in which was the day's central figure. A polished gentleman of vast experience in diplomatic circles, the minister was easy to meet and willing to talk about everything but the gold standard, which his country still maintains. "Silence is golden, speech is silver," he said, in the Dutch language, in answer to any inquiry as to why his nation remains one of the few gold nations.—Grand Rapids Press.

Heer Joseph Heerich, oldest potter in Michigan and one of the oldest in the United States, is making the Gouda pottery he has been making for nearly 70 years, since he was 12. He will be found at the Dutch Village. A picture of him is on the next page.

Attendance figures at the Dutch village show that 2,571 persons viewed the attraction bringing the total for five days to 8,835. The made-in-Holland exhibit was seen by 5,100 persons, the total being 18,851.

A feature of Friday afternoon will be a Boy Scout parade with more than 1,500 Boy Scouts of Ottawa county taking part. The pa-

Street Pageant Yesterday Was Very Colorful

NETHERLANDS MINISTER SEES PARADE FROM REVIEWING STAND; GLEEFUL AS A CHILD

One of the features of Wednesday that was very gratifying to the Netherlands minister was the large parade with more than 3,000 school children in colorful array. It showed young America at its best, a la Hollandish.

At least 25,000 lined the principal streets and the clattering of kettles rhythmically beat time to the music of six bands, including the Ford Kille Scotch bag pipe band, surely a novel organization for a parade of that sort, with all the base drum contortions and the strange uniforms and costumes in which bare knees are in vogue.

The float of Beechwood school with a large cluster of tulips with little heads peeping out brought an "oh!" from the side lines. Another float of exceptional beauty depicted "Spring." It surely was a beauty and was the contribution of the Harrington school.

Space forbids giving all the details of the parade. Skating parties, bicycle riders, milkmaids, flower girls, etc.; thousands of them, passed by the reviewing stand and surely Dr. Jonkheer De With was as gleeful as the children who laughingly passed by him. He was the greatest applauder of the lot.

After the parade the party on the reviewing stand was the guests of Commander Perkins of the Escanaba and in honor of the Dutch envoy nineteen guns were given as a salute to the Netherlands minister as he left the United States coast guard cutter docked at Kollen's park.

The boarding party was received by Lieut. Comdr. L. W. Perkins, Capt. LeRoy Reinberg and Capt. Paul Cronk.

At the reception for the public at Centennial park the minister made his speech of the day. Preceding his introduction to the large concourse by Mayor Bosch, the Ford Kille band of Detroit gave a concert and the Holland High school a cappella choir sang the national anthems of The Netherlands—"Wilhelmus van Nassauwen" and "Wien Nederlanden Bloed," translated into the American tongue by Dr. J. B. Nykerk of Hope college.

The minister spoke a brief welcome in Dutch but delivered his address in the American tongue. "The cordial reception which has been accorded to me and all that I have seen here," he said, "has left a deep impression on me, and I shall always have the most pleasant memories of my visit to Holland, Mich."

Sharing the reviewing stand with the Dutch minister Wednesday afternoon and taking a prominent part in the later events of the day were three Holland consuls, Jacob Steketee of Grand Rapids, William G. Bryant of Detroit and John Vennema of Chicago; three consuls of other nations, stationed in Detroit, Lazzaro Bartolomeo of Spain, Cesar Barranco of Cuba, and George H. Heideema of Finland; Mayor Nicolaus Bosch; Comdr. L. W. Perkins and LeRoy Reinberg; the coast guard; Maj. Henry Goerds and Capt. John Bremer of the national guard; Dr. Wynand Wichers, William Arendshorst, William Vandenberg, C. J. Dregman and Ben Mulder of the reception committee; C. A. French, Supt. E. E. Fell of the Holland schools; Prof. J. B. Nykerk of Hope college; Arthur Wrieden, president of the Holland chamber of commerce, and John VanderVries of Chicago, representing the Chamber of Commerce of the United States.

The Board of Trustees of Hope college, Holland, Michigan, confers the Honorary Degree of Doctor of Laws upon His Excellency, The Honourable H. W. van Haerema de With, envoy extraordinary and minister plenipotentiary of the government of The Netherlands to the government of the United States at Washington, District of Columbia; sometime minister to the courts of Portugal, Abyssinia, Czechoslovakia; Knight of the Order of The Netherlands Lion; Officer of Orange Nassau.

Gerike's "Chorus of Homage" was presented by the chapel choir, after which the entire congregation sang "De Zegenbede" to the tune of "Old Hundredth." The Rev. Boer, D.D., pronounced the benediction. While the congregation was filling out Professor Snow played "Thou Art the Rock," by Mulet.

Haydn's great oratorio, "The Creation," will be presented in the Memorial chapel at Hope college this coming Sunday afternoon at 4 o'clock by the choir and soloists of the Fountain Street Baptist church of Grand Rapids, under the direction of Emory Gallup, who is widely known as a concert organist and musical director. The soloists for the occasion will be Miss Evangeline Mauritz, soprano; Clifford W. Hill, tenor; Lynn E. Clark, bass; Culmer W. Peterson, bass; and Miss Alida M. Borkel, soprano. Mr. Harold Tower will assist at the organ console with Mr. Gallup directing from the pianoforte. The choir of the Fountain Street Baptist church has created a name for itself among music circles through its ability to sing artistically the master works of choral literature. Appearances in other cities have been greeted with large audiences. Their presentation in the chapel next Sunday afternoon is one of the features of Tulip Week and open to the public. A silver collection will be taken.

Wednesday a gun salute was fired by the coast guard cutter Escanaba and many people witnessed the affair.

The coast guard cutter Escanaba left its base at the government docks at Grand Haven at 10:00 a. m. Saturday with Mayor Richard L. Cook, Secretary of Chamber of Commerce W. L. Stribley and other city officials aboard. The craft was freshly painted and prepared for a week's stay at the Holland Tulip

The regional meeting of the emergency relief administration Wednesday discussed problems covering investigation and re-examination of all clients on relief rolls and how to direct transients back to their legal residences. Ten counties were represented. Speakers were Miss Ruth Bowen of Lansing, state case supervisor; Charles F. Wagg of Grand Rapids, regional supervisor, and several others connected with the association.

PENALTY ON DOG TAG EFFECTIVE ON JUNE 1

Payment of dog licenses can be made with County Treasurer John Den Herder without penalty before June 1, it was pointed out today. The regular fee is \$1 for male and unsexed dogs and \$2 for females.

After that date, the rate will be double, the treasurer said. Checks for the licenses can be mailed to him at the county court house.

LEGION BAND GIVES EXCELLENT PERFORMANCE BEFORE LARGE AUDIENCE

The Holland American Legion band, the pride of Holland, gave another excellent concert Wednesday evening at Holland High school when approximately 1,100 persons filled the auditorium. The concert is an annual affair during Holland's Tulip Festival and appreciation was shown not only by the large number present, but also by the attention given by those attending.

Eugene F. Heeter, able director, was in charge and he as well as each individual member of the band did excellent work, giving intelligent interpretations of each number.

The program was rendered as published in full in our last issue. Holland's American Legion band is one of the most faithful organizations we have and Holland can feel a just pride in knowing that it ranks with the best bands in the state.

FRIS BOOK STORE AWARDED FIRST PRIZE ON WINDOW DISPLAY

Fris Book store for the second successive time, has been awarded the Williams trophy for its clever window display in the Tulip Time annual contest.

S. H. Houtman, manager of the Dutch Village, planned and arranged the scene for the store. The scene is a little girl reading Dutch folk tales, seeing the little elves working in a tulip bed.

The House and Senate club of Lansing, consisting of wives of senators and representatives, chartered a bus at the capital city on Thursday afternoon and came to Holland, forty strong, to see the tulips and other attractions in connection with Tulip Week.

After lunching at the Woman's Literary club rooms, the ladies toured above the city "making in" the tulip lanes, Dutch Village, etc. Mrs. Gordon Van Eenennaam, wife of the senator, formerly Miss Isla Pruim of Zeeland and graduate of Hope college, is responsible for the visit of the "better halves" of Michigan's house and senate members.

MAYOR BOSCH STOPS KALKMAN BEFORE HE STARTS

Elbert Parsons Gives Lawful Reasons Why Bosch Cannot Be Re-instated.

It was Mayor Bosch's quick action that prevented another flare-up on the sidewalk situation, and the conference at Lansing. The mayor as well as the aldermen and city engineer promised Mr. Kalkman to get work for him to do, but he must cease to browbeat and put the council in a turmoil at every meeting.

The mayor stated "From the very start when I was inaugurated, I endeavored to help Mr. Kalkman not alone in securing employment but also to aid him in all his council work. I have told him repeatedly I would gladly advise him in his council duties whenever asked but you, Mr. Kalkman, never once gave me that opportunity. The door is still open for this from me and from your colleagues as well."

The "fireworks" did not materialize and Mr. Kalkman seemed satisfied that the mayor and council meant to do the right thing as long as he treated them civilly.

Mayor Bosch called upon City Attorney Elbert Parsons to state the action in filing the petition in behalf of the reinstatement of Henry Bosch as city inspector. There was nothing the aldermen could do about it; the inspector was legally elected by the council and Mr. Bosch could only be reinstated should a vacancy occur.

The full proceedings of the council are found below, officially:

Holland, Mich., May 14, 1935. The common council met in regular session and was called to order by the mayor.

The meeting was held on Tuesday instead of Wednesday on account of the minister from The Netherlands being a guest of the city on Wednesday for Tulip Time festivities.

Present—Mayor Bosch; Aldermen Prins, Vande Lunde, Drinkwater, Kalkman, Van Zoeren, De Cook, Steffens, Huyser, Bultman, Van Lente, Vogelzang, and the clerk.

The devotions were by Alderman Vande Lunde, who led in the Lord's Prayer.

Minutes of last meetings read and approved.

The clerk presented several building permits, approved by the city engineer and fire chief.

The clerk presented several oaths of office.

Veterans All Set For Big Two Day Rally May 24-25

AT LEAST 25 BANDS TO BE IN BAND REVIEW MAY 25

The Veterans of Foreign Wars, Henry Walters post No. 2144, Holland, have every thing set for the big rally to take place in Holland next week, Saturday, May 25.

As has been chronicled on former occasions, National Commander James E. Van Zant of Altoona, Pa., is to be here on Saturday, and what is more the commander is to arrive by airplane. Then, too, Governor Frank E. Fitzgerald as well as the commander will be in the parade on Saturday when more than 1,500 soldiers will be in line. Bands and bugle corps from many states will take part in the parade, and also in the band and drum corps review and contest which is to take place at Riverview park afterward.

Governor Fitzgerald will address the veterans and local citizens at Riverview park during the band and drum corps contest, and later will give an address in Centennial park.

The parade on Saturday of next week will begin at 2 o'clock sharp. It is estimated that approximately 2,500 members of Veterans of Foreign Wars and auxiliaries from various parts of the United States as well as a large number of department heads of state and districts of both the Veterans of Foreign Wars and the women's auxiliaries will be here for the two-day rally. The Michigan commandant, Ralph Trotter of Detroit, and his staff of thirty, will also be in Holland for two days and headquarters for many will be at Warm Friend Tavern.

On Saturday at 6 p. m. a banquet will be served at the Masonic temple, the governor, commander and other notables to be guests of honor.

The two-day rally will be concluded with a dance at the Masonic temple on Saturday evening when guests will trip the "light fantastic" to the music of Herb Van Duren's orchestra.

Holland folks are having a busy time this week with parades, the visits of the Dutch ambassador and many other prominent men as guests on Wednesday, and visits to the various places of interest, etc., during this week. Tulip Week—concluding with the large band contest on Saturday afternoon, May 18.

However, parades and especially bands, are always a big attraction and it goes without saying that Holland citizens will again be out in full force for the parade and band review and last but not least, the governor's address at Riverview park and later at Centennial park on May 25.

The local post has been making in some strenuous efforts to make this rally a success and if comments heard are any criterion the convention will be one long to be remembered.

The bands receiving first place will be awarded prizes at Centennial park, when three silver cups will be awarded as well as a number of other prizes.

Another feature to take place at Centennial park on Governor's Day Saturday, May 25, will be a waltz dance by a large number of young ladies. The waltz dance is to be put on for the special benefit of Governor Fitzgerald and Commander Van Zant and the many other prominent men who will be Holland's guests next week.

FOLKS SHOULD SHOP EARLY; AVOID BLOCKADE

The Holland City News is advising shoppers to shop early, even though Christmas is clear in the offing.

Tulip Week is a wonderful thing; no one wants to change. Besides a small army of Holland folks has been working for a month giving time and money, which brought the "Tulip Festival" up to what it is today. Many merchants helped this along. However, during the parade periods, when the streets are blocked off, merchants during busy days such as Fridays and Saturdays, are tremendously inconvenienced.

For hours the streets are closed, no cars are parked, and during the parade period and an hour before the crowds line the streets and during that period at least, the storekeeper is not "ringing up the cash register."

Saturday will be another big day of parades. The experience last Saturday was no trade for several hours, and when the crowd dispersed there was a quick rush for Sunday's needs, more than any amount of clerks could handle—customers simply "grabbing" off something quickly to tide over.

The merchants are not complaining, do not want the parade hours changed, but they are advising customers to shop early, say Friday afternoon or Saturday morning. Then folks will have no shopping worries and can fully enjoy the afternoon's festivities. All special are for both Friday and Saturday in all stores where specials are given; it only means a little change in the shopping hours

festivals. Feverish excitement marked final preparations for the opening Saturday of the sixth annual Tulip Time festival in Holland as the city arrayed itself for the inspection of an unprecedented number of visitors.—Grand Haven Tribune.

Tulips, as is proper at a Tulip festival, are occupying the major place in Holland the next nine days in spite of the many attractions of parades and folk dances, the Dutch village and the street scrubbing. The Ladies' Literary clubhouse, with local florists arranging masses of tulips in unusual ways and showing many different varieties, is open 12 hours daily under the supervision of Mrs. Leonard Stallkamp. Other mass plantings are at Centennial park, where the choice varieties are labeled; at Windmill park, and at the Nellis tulip farm, where the Nellis family, having devoted years to tulip culture, will show such novel varieties as the "American Flag" in red, white and blue, and the "viridisoloru," a green flower. These blooms are, of course, the aristocracy of the 400 varieties in Holland, of the 3,000,000 along the 8-mile tulip lanes.—Grand Rapids.

Michigan's penchant for blossom, cherry, pansy and tulip festivals apparently is catching. A delegation of Pella, Iowa, citizens attracted by Holland's sixth annual Tulip Festival, conferred yesterday with William Connelly, secretary of the Holland chamber of commerce, on the possibilities of holding a festival similar to Holland's in Pella, where 8,000 citizens are mostly of Dutch ancestry. Connelly, an Irishman, but nevertheless a leading spirit in Holland's annual revival of the old Netherlands custom, suggesting as a slogan, "It's sweet pea time in Pella."—Grand Rapids Press.

Thursday's program will feature a base ball game at Riverview athletic park at 5:30 p. m., preceded by a parade by the Holland Flying Dutchmen and the House of David, contesting teams. Mayor Nicodemus Bosch will twirl the first ball and Harry Heilman, four-times batting champion of the American league, will officiate.

The West Shore Festival choral concert, given by high school groups from Muskegon Heights, Muskegon, Grand Haven and Holland, under the direction of Tris Moore of Holland; Miss Margaret Dexter of Muskegon Heights; Miss Elsie Anderson of Grand Haven; Verna Luther and Prof. W. Curtis Snow, guest conductor of the combined chorus numbers, was presented Tuesday evening in Hope Memorial chapel before a large audience. It was a splendid acquisition to our "Tulip Time" program.

A vista of green and white greets the visitor to the garden show, which is a contribution of the Woman's Literary club to the Tulip Festival activities, and which has been arranged in the club building on Central avenue by Mrs. L. G. Stallkamp and her committee. Brick walks, a pool, beds of multi-colored tulips enclosed with white lattice, combine to make a formal entrance to the scene beyond, where white lilies and tulips are seen against a background of evergreens. Stone benches and a brick terrace add to the beauty of the picture. With the formal opening of the exhibit this morning it is expected that hundreds of out-of-town as well as local residents will visit this artistic display, which is an annual project of the club. Members of the committee assisting Mrs. Stallkamp are Mrs. Arthur Visscher, Mrs. J. C. Rhea, Mrs. E. P. McLean, Mrs. Clarence Lokker, Mrs. Ray Hoek and Mrs. Carl Harrington.

That the festival is receiving state and national recognition is evidenced by the large staff of writers and photographers in the city today to "do their piece" on the Tulip Time. Detroit and Chicago dailies are represented, and five newsreel photographers are on the job.

Joe Lobell, Holland Furnace official from New York, was one of the festival's visitors who took an active part in this afternoon's events. Mr. Lobell was in the city this week, and he stayed over at least until today so he might don a Dutch costume and wooden shoes to take part in the street scrubbing.

Holland Lions club was the host Tuesday to a large body of members from various Lions clubs. The regional meeting of the emergency relief administration and the Oak Leaf district meeting of the Royal Neighbors of America, with Mrs. Jessie L. Mitchell of Brighton, vice president of the board of supreme managers, as guest of honor, are in session here. Camps in Kent, Ottawa and Muskegon counties are represented.

SCRUB STREETS FOR TULIP FESTIVAL.—The mayor and city council of Holland, Mich., wearing Dutch costumes, paraded solemnly out on this street Saturday and ordered it cleansed. Here are the citizens obeying the order, part of the pageantry which opened the seventh annual tulip festival before a crowd of 40,000 persons. In farms, gardens and along eight miles of streets were an estimated 3,000,000 of the colorful blossoms.

COMMON COUNCIL

(Continued from Page 1)
appointment and reporting that he had served notice on property owners on East Twenty-sixth and East Twenty-seventh streets to have their premises connected with sanitary sewer.

Accepted and filed.
The clerk presented petition from citizens requesting the council to reconsider their recent action in appointing a city inspector and recommending that Henry S. Bosch be considered for reappointment. The petition was reported to contain a total of 252 signatures of which 13 were doctors, 3 dentists, 13 ministers, 3 optometrists and 229 laymen and business men. Mayor Bosch called upon City Attorney Parsons for an interpretation of the charter in such case. City Attorney Parsons reported that it was his opinion that after the office had been filled at the annual charter meeting that those appointments would stand for the year unless a vacancy occurred, and in this case it was his opinion that the council could not legally reconsider their action of the previous meeting.

On motion of Alderman De Cook, seconded by Alderman Steffens, Petition was filed.

Alderman De Cook, chairman of the ways and means committee, requested the mayor to give a report to the council on their trip to Lansing in regard to the stopping of the sidewalk repair project. The mayor called upon City Attorney Parsons to make the report for the committee. Mr. Parsons reported that the mayor, city engineer and himself had made the trip to Lansing on the day following the last regular council meeting and had an interview with Mr. Nims. They were informed that the reason the project had been stopped was due to the fact that Alderman Kalkman and Mr. Van Eyck, representing the Citizens' League, had complained that the city was laying new sidewalks, and when informed that this was not the case, and that the city was only repairing old walks, that they were given permission to resume work on this project.

Mayor Bosch called on the city engineer, Mr. Zuidema, substantiated the report as given by Mr. Parsons.

Alderman C. Kalkman, however, flatly denied that they had reported that the city was laying new walks. Mr. Kalkman contended that it was not true and that somebody was not telling the truth when they made such a statement.

Mr. Bosch, however, enlarged

upon the report by reviewing the statements of the city engineer and the city attorney, and also told Mr. Kalkman that in the future if he had anything to bring up if he would come to him first or to the aldermen, they would be glad to give all the assistance they could. The mayor further stated that the city engineer had made a determined effort to help Mr. Kalkman secure jobs. The mayor again called upon the city engineer to tell the council what he had done in behalf of Mr. Kalkman. Mr. Zuidema, however, stated that he had on different occasions tried to help Mr. Kalkman secure jobs.

After some further remarks by Alderman Kalkman, the matter was dropped.

Alderman Henry Prins reported on behalf of the committee on ways and means that in response to their request for bids on city printing, only one had been received and that was from the Holland City News on practically the same basis as the past year.

He stated, however, that in bidding on legal advertising, it was done on an inch basis rather than on a folio basis, but at no difference in price.

Alderman Steffens made a further report for the ways and means committee, stating that a bid had been received for the city lot on West Fourteenth street, known as the Anns property, and recommended that the lot be sold. The committee further recommended that the clerk be instructed to give public notice of the sale of this lot and that a hearing be held at the next meeting of the council which is June 5.

Adopted. (NOTE. Directly after the meeting, notice was received by the clerk that the offer had been withdrawn, hence the matter was dropped.)

Alderman De Cook reported that there is an old barn on the property of Mrs. Van Amrooy on West Twelfth street, which she is willing to have taken down, and recommended that this be done.

Referred to Civic improvement committee, city engineer and fire chief.

Claims and accounts committee reported having examined claims in the sum of \$4,541.16, together with \$5,000 for taxes for the board of public works main sewer fund, and recommended payment thereon.

Allowed.

Alderman Bultman, on behalf of the sidewalk committee, reported that the sidewalk repair project is progressing very nicely; that three crews are busy and a considerable amount of walk is to be repaired each week.

Reports of Special Committees.
Alderman Van Lente again brought up the question of the dog problem in the city. He stated that while he understood the council had no voice in the matter, still he recommended that the clerk be instructed to communicate with the board of supervisors and urge them to have someone appointed in the city in order to control the dog situation in the city.

Adopted.
City Attorney Parsons commended the mayor and six aldermen who took part in the parade last Saturday. He stated that there were several people together with himself who viewed the parade from his office windows and they were all unanimous in their approval of the dignified way in which the officials took part, and recommended a vote of thanks from the rest of the council.

Adopted.
Communications from Boards and City Officers.
The claims approved by the li-

brary board in the sum of \$153.47; park and cemetery board, \$781.84; police and fire board, \$2,619.44; board of public works, \$15,084.57; were ordered certified to the council for payment. (Said claims on file in clerk's office for public inspection.)

Allowed.
The board of public works reported the collection of \$8,737.03; city treasurer, \$4,254.47.

Accepted.

Motions and Resolutions.
Alderman Bultman entered a complaint which had come to him from several sources to the effect that the Tulip Time visitors who come to town in groups and bring their own lunches have no place to go and eat it. Mr. Bultman contended that the Tulip Time committee should see to it that some place is provided and that the officers on duty could be informed so that they in turn may direct these people who had basket lunches to some place where they can go and eat it.

The clerk was instructed to call this to attention of the Chamber of Commerce and request them to give this matter their immediate attention.

Mr. J. Jac Weller addressed the council on behalf of former City Inspector Bosch. Mr. Weller asked the city attorney if there is anything in the charter to prevent a store keeper from acting as city inspector.

City Attorney Parsons reported that there was nothing in the charter which would make it illegal. Mr. Weller stated, however, that in his opinion it was not fair and he felt that Mr. Henry S. Bosch,

who had served the city 14 years, was done an injustice by being replaced. Mr. John Pieper, who was also in the audience, spoke on behalf of Mr. Bosch. Mr. Pieper stated that perhaps the aldermen had not been fully informed on all matters in connection with the replacing of Mr. Bosch, and that if they now felt an injustice had been done, that they should have the privilege of reconsidering their action.

The council, however, took no action in regard to the complaints of Mr. Jac. Weller and Mr. John Pieper.

Adjoined.
OSCAR PETERSON,
City Clerk.

Little Known Facts About Banking

Depositors Who Take Banking Service "For Granted"

For so many years during "easy times" banks furnished checking account service without cost to depositors, that even today few depositors realize there is any cost to the bank, either.

Jones maintains a balance of \$200 in his account—the income from the use of which to the bank during any one month, actually pays for about 60 cents worth of banking service. But, if the service the bank renders Jones costs more than 60 cents, who should reimburse the bank for the difference?

Bank depositors in the United States enjoy more and better banking privileges, at little or no expense, than in any country of the world.

Envoy De With Honored Tells Of Beloved Queen

(Continued from First Page)

again played while everyone sang the national anthem of The Netherlands. "Wien Neerlandach Bloed." Dr. Nykerk directed the singing once more. These Dutch anthems had been printed on folders, together with Dr. Nykerk's English translation of them and a picture of Prince William of Orange.

The next speaker was introduced as "a man who understands the history of The Netherlands thoroughly," and as "a distinguished American citizen." This was the Rev. Henry Beets, J.L.D., who last year was made a Knight of the Order of Orange Nassau. This honor was conferred upon him by Queen Wilhelmina herself.

Dr. Beets stated that the life of the people of Dutch descent is centered mainly around three concepts. First of all, the concept of a sovereign God. To worship this God wholeheartedly and freely is the main reason why our forefathers came here.

In the second place we are a "churchy people."

Hope college was enthusiastically praised for its splendid contribution of more than 500 gospel ministers to the world. People are scattered all over the world who have been brought up within our church circles. The fact was stressed that Queen Wilhelmina also embraces the "old-time religion."

Dr. Beets next emphasized the fact that we love our country. Said Dr. Beets in part: "We are not merely Holland-Americans; we are Americans. We have only one flag—the Stars and Stripes. We have been serving our country in many ways. One hundred eight of Holland's men took part in the Civil war."

The name of the late Hon. G. J. Diekema was mentioned with great pride by him. The Messrs. A. Hoedemyle, Grand Rapids; Arnold denpuy of Holland, and Dr. Paul De Kruij, originally of Zeeland, were mentioned as great contributors to the fields of science and learning. Great bankers, archi-

tecs, and horticulturalists were included in the list of Dutch accomplishments in this country. They all love their country and want to give their best to it.

We have a sympathetic attitude toward things of Holland. There is a spirit of kinship in our hearts for all that pertains to the Dutch blood.

Dr. Beets then paid a fine tribute to Queen Wilhelmina. He said: "We think much of her because she bears such fine testimony for Jesus Christ as her Lord. This was especially evident during the days of sorrow over her mother's bereavement, when she openly stated that Christ was her only source of comfort. We love and admire her for that. This entire audience asks you to convey our sentiments to her."

The guest of honor, Jonkheer Dr. H. M. Van Haersma de With, was the concluding speaker. When he was introduced all the assembled guests arose to feet to pay him homage. Dr. de With expressed his thanks for this formal reception. He said that he had observed many customs of The Netherlands being carried on here. He voiced his amazement at the large number of Michigan places which are named after towns, cities and provinces of The Netherlands. Thanking Mayor Bosch and Dr. Wickers for their hospitality, he said: "I wish to express my appreciation of the manifestations of your friendly feelings toward my country."

The Jonkheer went on to congratulate Dr. Beets for having been bestowed the honor of Knight. "The name of Beets is very familiar to me, for Dr. Nicholas Beets, the great Netherlands poet, is a friend of my family. This writer is especially famous for his 'History of Dutch Literature.'"

The envoy then expressed his love and respect for his queen. "She always seeks the welfare of her subjects and her country. Her majesty also shows a keen interest in the descendants of The Netherlands in foreign lands. The next time I appear in her court, I know that she will inquire about my visit at Holland, Michigan."

"I wish to thank you all for the kind manifestation of sympathy you have shown to the queen in her bereavement."

To illustrate the love of the Dutch subjects for their queen, Dr. de With explained how, whenever the queen passed by in her carriage, the people unharness the horses and draw the carriage themselves.

Dr. de With noticed that the hospitality in America is greater than that of any other place in the world, and that it is especially the case in Holland, Michigan.

Jonkheer de With concluded his speech by saying "I never will forget your kindness, and will ever cherish the souvenirs of my stay in Holland, Michigan."

In closing, Dr. Nykerk led the group in singing all the four stanzas of "America."

AMERICAN LEGION

NEWS

The original plans for our next meeting, May 22, are still in effect: Be there at 7:30 for a short and snappy business session, and then be ready to follow the crowd. As was stated last week we are unable to say where we are going; everyone that drives is asked to bring his car so that everybody will have transportation.

All auxiliary street scrubbers are asked to report at Columbia and Eighth street for the Saturday parade, in fact all the ladies having costumes are asked to turn out. The time will be announced in the daily paper. A large crowd is solicited.

The town had a couple visiting Legionnaires last Saturday. They had been attending a district meeting up at Howard City and somehow or other arrived at Holland. One look at the street scrubbing scene and they were completely non-plussed. They remembered taking no boat but how they arrived in a foreign land was beyond them. That stuff they sell up in Howard City is certainly powerful.

The ex-service man has a big job on his hands in Holland. Last Saturday afternoon practically no one along the line of march saw a flag; or if they did, considered it part of the decorations. There was scarcely a salute. If this is thoughtlessness, neglect, or non-observance, it is our duty to teach the public what to do when the flag goes by. This same disrespect was more than noticeable during the children's parade on Wednesday. We cannot permit these actions to pass without some effort to correct it. If need be, maybe a few fedoras and derbys knocked into the gutter would instill some respect.

I HAVE NO RENDEZVOUS WITH DEATH

I have no rendezvous with Death That soldiers throughout time have kept, Where Springtime blossoms bent and wept Beneath the trampling heedless

Of fighting men, who breathe to breath, Accepted Death before retreat.

That rendezvous one time was mine, Beneath the War clouds' shade and shine;

But Death in red flood passed me by The while it swept my buddies on Into the darkness, where men die— From whence they come to greet me feet;

And I was left where poppies grew Above their haloed rendezvous.

God knows 'twere better I should sleep And rest, along some shattered road,

Than struggle ever on and deep Beneath the Lifetime He has loaned. But He decreed I should not die, My rendezvous he has postponed,

Until I learn to bear my load And know the lark song in the sky; Until in time I prove me true And worthy of that rendezvous.

—Stafford King.

How long is public memory and how enduring national gratitude? This question will be answered here Friday and Saturday, May 24 and 25. It will be answered in bright red poppies worn over the hearts grateful to those who sacrificed their lives in the nation's defense seventeen years ago.

The women of the American Legion auxiliary will distribute the flowers on the streets. They remember. Some of their own lie in the poppy-studded battle cemeteries in France. Ever since the war they have been devoting their energies to aid those left dependent, to help those who came back disabled, and to carry on in peace for the cause of American democracy. And on Poppy Day they will give their services so that the rest of us may show that we, too, remember.

Wearing the poppy is the individual act of tribute to the World War dead. Everyone can wear a poppy. The auxiliary will offer them in exchange for a contribution for the welfare of the war's living victims. No price is asked for these little flowers, shaped by the hands of disabled veterans. A few pennies, if that is all the person is able to give, or a ten dollar bill, if that amount can be contributed, it is all the same. The same

Henry Kasten, Bankrupt No. 6204.

To the creditors of Henry Kasten of Holland, County of Ottawa, and district aforesaid. CHARLES B. BLAIR, Referee in Bankruptcy. NELSON A. MILES, Attorney for Bankrupt.

symbolic poppy will be given in exchange.

The money which goes into the coin boxes of the poppy workers on Poppy Day will all be expended in the welfare work of the auxiliary during the coming year, the bulk of it right here in our own city. Thus the little poppy will give us an opportunity to prove that our memory and gratitude for the sacrifices made for America during the war still endures by enabling us to honor those for whom we can do no more and aiding those yet within the reach of human help.

The American Legion auxiliary has received notice that Miss Jean Spaulding, daughter of Mr. and Mrs. Everett Spaulding has been declared winner in the state FDIAC contest, and her essay has been sent in to national headquarters.

The subject of Miss Spaulding's essay was "How Can American

Youth Co-operate with the American Legion and FDIAC to Remove the Profit Motive from War as an Aid to World Peace?"

The Legion is the American member organization of FDIAC, the international veterans federation formed for the purpose of promoting peace among nations. The subject of the essay also brought into prominence the universal draft for which the Legion and auxiliary are contending with renewed determination this year. The universal draft provides that immediately upon the declaration of war all of the nation's capital, industry and manpower be placed at the command of the government on the same basis. It provides safeguards against profiteering, slackness and similar abuses which handicapped and made so costly the nation world war effort.

Several Legion auxiliaries throughout the state were entered

in this contest, the prize being a set of "Source Records of the World War."

We hope Miss Spaulding will bring added honor to Holland by winning the national prize, which would mean a \$200 scholarship.

Mr. Spaulding is a member of the American Legion and during the World War served with the 166th infantry. Rainbow division.

The Monica and Eunice Aid societies are again sponsoring one of their popular Dutch suppers on Friday of this week from 5:30 to 7 o'clock p. m. The occasion is especially timely during Tulip week and doubtless a large number will attend. The supper will be served at the Holland Christian High school gymnasium.

The supper is a feature at the annual spring sale, sponsored by these two societies, the sale taking place during the afternoon and evening.

Seminary Grads Number 11; May 15th Graduation

ALUMNI BANQUET WAS ALSO HELD; OLDEST ACTIVE ALUMNUS PRESENT

Western Theological seminary closed the school year with the annual commencement May 15 in Hope memorial chapel. Professorial certificates were presented by Dr. Jacob VanderMeulen and Dr. S. C. Nettinga, president of the institution, presided. A class of eleven was graduated.

Herbert S. VanWyk of Hull, Iowa, was the class speaker and Rev. John Kuite of Chicago delivered the address for the board of superintendents.

Special music included the organ "Prelude to Parsival," Wagner, and "In These Is Gladness," Bach, with Prof. W. Curtis Snow at the console. The Hope college chapel choir sang the anthem, "Crucifixus," by Antonio Lotti, and Paul Nettinga of Chicago sang a solo.

The fiftieth anniversary celebration of the reorganization of the seminary was marked by an alumni dinner and public meeting in Hope Reformed church on May 14. Rev. John Wesseling, former president of Central college, and Rev. Albertus Pieters were speakers. Dr. Pieters is the oldest active alumnus of the institution, from which he graduated in 1891.

To Examine Students The board of superintendents convened May 14 and 15 for examination of students and for the reception of new students who plan to enter the seminary next fall.

Members of the board came from the synods of New York, Albany, New Brunswick, Chicago, and Iowa, and will question the 33 students in the school. Officers of the board are: Rev. John Van Peursem of Zeeland, president; Rev. R. D. Meengs of Detroit, vice president; and Rev. John Bovenkerk of Muskegon, stated clerk.

Western Theological seminary featured its annual commencement program with a special historical meeting in commemoration of the fiftieth anniversary of its reorganization as a separate institution on Tuesday evening, May 14, in Hope Reformed church.

Theological work was begun in 1866 in connection with Hope college. The theological department was suspended in 1877. Work was resumed in 1884 as a separate institution, independent of Hope college, with Dr. Nicholas M. Steffens occupying the chair of theology. General synod of the Reformed Church in America made certain financial stipulations, requiring the establishment of a \$30,000 fund before work could be started in the seminary.

Nettinga is President Rev. J. Meulendyke of Rochester, N. Y., is the only survivor of 29 members graduated from the institution antedating its suspension in 1877. Meulendyke was a member of the class of 1876.

The present faculty consists of President S. C. Nettinga, Rev. Henry Hospers, Rev. Jacob VanderMeulen, Rev. Albertus Pieters, Rev. John R. Mulder and Rev. J. Blekink, emeritus.

Superintendent officers of the board of superintendents are: President, Rev. John VanPeursem of Zeeland; vice president, Rev. R. D. Meengs of Detroit; stated clerk, Rev. John Bovenkerk of Muskegon.

Western has graduated nearly 400, majority entering the ministry, most of them in the Reformed church. Its next largest contribution has been to the foreign missionary service.

"Flights" was the theme of the program presented Friday evening at the annual banquet of students of Western Theological seminary, wives, friends and the faculty in Hope church parlors.

Neal J. Meyer of the senior class was toastmaster. The first number was "Solo Flights," a toast to the women given by Russell Redeker of the junior class. "Endurance Flights" was the subject of a toast by Emo Aulsema, middle, to the seniors.

Following a vocal solo by James Nettinga of the junior class, Harvey Hoffman, senior, toasted to the group on the topic "Stratospheric Flights," and Dr. S. C. Nettinga, president of the seminary, spoke on "Flights from Reason," in a toast to the seniors. The program closed with a vocal solo by Cornelius VanderNaald, Sr.

The singing of "Bless Be the Tie that Binds" concluded the affair which was in charge of Nicholas Roseboom, assisted by Chester Meengs and James A. McAlpine. Invocation was by the Rev. T. W. Davidson, pastor of Hope church.

About sixty members and their guests were served a three course dinner by Mrs. R. D. Esten's division of the Hope church Woman's Aid society. The program and place cards were in keeping with the theme, small airplanes adorning the covers. During the dinner saxophone music was furnished by Clifton Harper, with Paul Weingaertens at the piano. Both are students at Hope college.

After the program Mr. McAlpine, senior, who is to take up missionary work in Japan, was presented with a set of books from members of the seminary and faculty.

Holland Discovers Mail Man "Genius" Village's Designer

Sipp H. Houtman Contrives Fete's Outstanding Attraction

(Grand Rapids Herald) Holland has discovered a genius in the person of Sipp H. Houtman, a mail carrier, who designed the Dutch village which will be an outstanding feature of the 1935 Tulip festival, and wrote the continuity for the continuous performance in which the villagers will go about their daily tasks.

It took an Irishman, William M. Connelly, secretary of the chamber of commerce and secretary of the festival committee, to discover him. Mr. Houtman has staged several successful amateur productions, including the recent "Rebecca of Sunnybrook Farm" by the Community Players of Virginia Park, but nobody seemed to have heard much about him until now. He won't talk about himself, although he won a prize from the city for the best outdoor house decoration at Christmas time, won a national prize for decorating a store, won last year's festival prize for decorating a window.

Both Plans Accepted When plans were started for the present festival, a prize was offered for the best manuscript for an elaborate pageant. His was accepted. It concerned the history of the tulip. But fear of bad weather caused that plan to be discarded. Mr. Connelly proposed a series of booths, representing the provinces of The Netherlands. Mr. Houtman sent in his plan of a Dutch village — by mail. He was too modest to present it in person.

His plan was immediately accepted, and he was put in charge of the village. He studied histories and architecture, customs and costumes, interviewed those who had lived in The Netherlands. And now he has evolved a display that is, in fact, a bit of old Holland transplanted.

He lacked the advantages of much formal education, but, always a student, has made up for it since. His hobbies are painting and fishing.

Former Judge of Probate Dies in Detroit

BODY OF EDWARD P. KIRBY WAS BROUGHT TO GRAND HAVEN FOR BURIAL

Judge Edward P. Kirby, former probate judge of Ottawa, died suddenly in Detroit. Mr. Kirby was not well and his brother and sister, Thomas Kirby and Miss Daisy Kirby, left immediately. They arrived several hours after his death. The body was brought home Saturday and funeral services were held at St. Patrick's church on Monday 7:00 a.m. Burial was in Lake Forest cemetery at Grand Haven. Rev. Fr. Daniel J. Hyland was in charge of the services.

Judge Kirby died from heart disease, an affliction that apparently has caused the death of several in the family, among them two brothers, Maurice and Joseph, who were both well known in Ottawa county. A brother, O'Brien Kirby, was tragically killed several years ago in an automobile accident.

Judge Kirby was born in Grand Haven, the son of the late Mr. and Mrs. T. W. Kirby, who were among the best known pioneer residents there; the father was the founder of the Kirby shippards.

The deceased was appointed to the probate judge office here in December, 1901, to succeed Judge John Goodrich of Coopersville, who had resigned. He held office until 1917 when the late Judge James J. Danhof was elected.

Shortly after Mr. Kirby went to Detroit and engaged in the real estate business. He had lived there since with the exception of summers when he, with his family, returned to Highland Park, Grand Haven, where the family established "Indian Village," a group of cottages which marked the enlarging of the resort south of Highland Park.

He attended the Grand Haven school and graduated from the law college at the University of Michigan. At one time he had a law office in Grand Haven, associated with Paul Cunningham. At the time he was appointed probate judge he was residing in Minneapolis.

He was 60 years old and while he lived there was one of the most prominent men in the community. Surviving are the widow and four children, of Detroit; one brother, Thomas, and a sister, Miss Daisy Kirby, who lives in Grand Haven.

The fire was so far advanced when discovered that the building could not be saved, nor its contents rescued.

SUNDAY DINNER SUGGESTIONS

THE housewife's job of selecting foods calls for constant alertness to today's rapid price changes. Butter is no longer the problem it has been, nor are new potatoes, cabbage, beets and spinach. Cheese is the most dependable and consistent food bargain on the list. Eggs, while slightly higher, still give excellent value for your money.

All meats have gone higher. The present price range makes veal the most reasonable meat and lamb next. New crop duckling is also moderate in price.

Pineapples are very plentiful. Bananas and citrus fruit are plentiful. Cantaloupes are high. The strawberry season is moving north into Virginia and the first blackberries, dewberries, and huckleberries have arrived.

Here are three menus made up from reasonable foods adapted to different budget levels:

Low Cost Dinner

Creamed Carrots
